

CHAPTER COMPLIANCE 2023

C013 SOUTHERN ARIZONA CHAPTER

Congratulations! Your NARPM 2023 Chapter Compliance Application form has been approved!

The chapter has met all recertification requirements and is fully certified.

Levels of Chapter Recertification

Full recertification

The chapter has met all recertification requirements, indicated by compliance with items listed on the certificate of compliance. Only fully certified chapters are eligible for Chapter Excellence Awards. Once recertified, an email will be sent.

Chapter in Review (Amended 2022)

Should the Chapter submittal displays lack of submission of any items on the certificate of compliance. Chapters will have six (6) months from compliance deadline to restore their certification. NARPM® Board of Directors must confirm that a Chapter can be taken off Chapter in Review status.

A Chapter will be placed in **Chapter in Review/Conditional Compliance** if documents are not submitted by compliance deadline. Members of the chapter will not be notified when a Chapter is placed in conditional compliance. The chapter must meet the chapter compliance deadline for the following year.

De-certification

De-certification must be preceded by a period of Chapter in Review and indicates continued non-compliance of recertification requirements. NARPM Board of Directors must approve all de-certification of chapters.
